## Brochure

Commercial  
Vehicles

# Commercial mobility in a new dimension.

What do you expect from a modern day commercial vehicle? If it's electric drive, sufficient loading space, volume and comfort and convenience for long journeys, then look no further than the new ID. Buzz Cargo - the first all-electric van from Volkswagen.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

# A revolution in light commercial vehicles.

The ID. Buzz Cargo is a van like no other. The new electric light commercial vehicle makes use of its clever MEB platform to offer vast internal space in a compact body. A low centre of gravity, rear-axle steering and a tight turning circle of just about 11 metres makes it perfect for confined city environments. And all this comes in a stylish, iconic design that's a world away from commercial vehicles of the past.

# Fast charging, zero emissions.

The ID. Buzz Cargo is a zero emissions vehicle, making it a huge step forward in sustainable commercial driving. The battery can be charged to 80% capacity in around 30 minutes using a 170 kW DC fast charging system<sup>1</sup>. It will also charge from any conventional household socket, and from a range of compatible charging stations and wallboxes.

<sup>1</sup> Charging with max. 170 kW DC charging power for the Pro battery variant and at an ambient and battery temperature of approx. 23°C and a start SOC of approx. 5%; e.g. at an Ionity Station.

# Built for the future with innovative tech.

Every member of the ID. family is capable of over-the-air updates and the ID. Buzz Cargo is no exception. Software updates for the infotainment, charging and driver assist systems can all be downloaded without the need for a Van Centre visit<sup>1</sup>.

Life with the ID. Buzz Cargo is made more relaxing thanks to a broad range of driver assist systems that includes Park Assist Plus with Memory Function, which can automatically manoeuvre the van in and out of parking spaces), Car2X, which can warn of hazards on your route, and the latest version of Travel Assist, which combines Adaptive Cruise Control and Lane Keep Assist<sup>2</sup>.

<sup>1</sup> To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on www.portal.volkswagen-we.com and can use services free during this time.  
<sup>2</sup> Within the system's thresholds.

# We Connect and We Connect Plus.

Your vehicle's technology, at your fingertips.

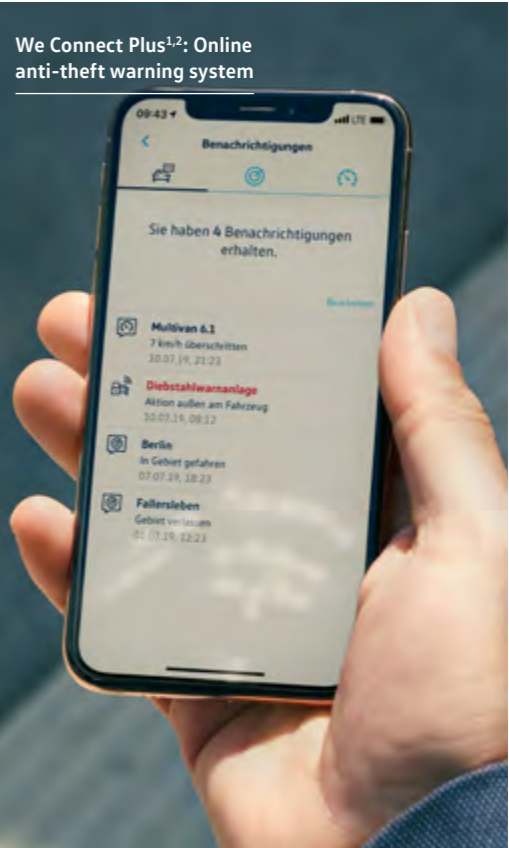

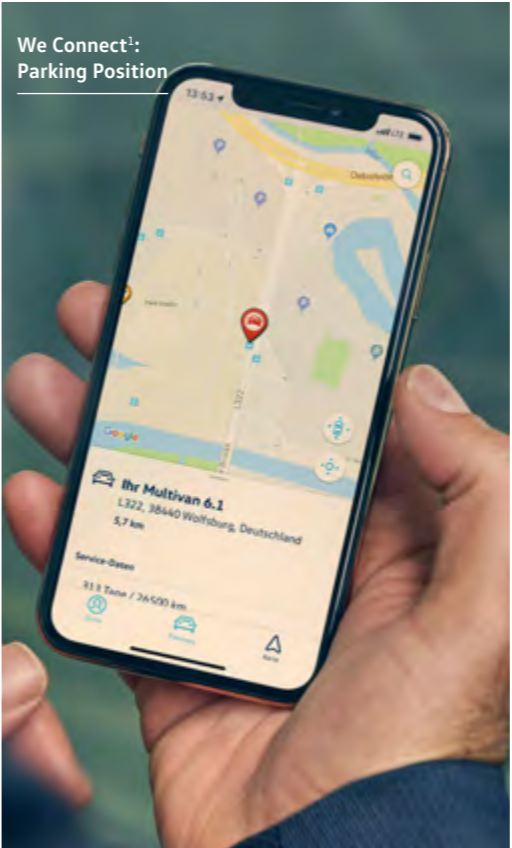

With Volkswagen We Connect<sup>1</sup> driving will now be even more digital. The We Connect<sup>1</sup> ID. app connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect<sup>1</sup> Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

## We Connect<sup>1</sup>

- BREAKDOWN CALL**  
In the event of a breakdown, we get to your location quickly. With 'Breakdown Call', you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.
- PARKING POSITION**  
The 'Parking Position' Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.
- SERVICE SCHEDULING**  
You drive – Volkswagen 'Service Scheduling' looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.
- EMERGENCY CALL SERVICE**  
In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

## We Connect Plus<sup>1,2</sup>

- ONLINE ANTI-THEFT ALARM\***  
Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the 'Online Anti-Theft Alarm' will inform the We Connect app on your smartphone or by email.
- ELECTRIC\***  
In a plug in battery electric vehicle you can set 'Departure times' to ensure your vehicle is charged and air conditioned shortly before departure. Air conditioning can be personalised remotely and you can stop and start charging all through the We Connect app.

<sup>1</sup> To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on [www.portal.volkswagen-we.com](http://www.portal.volkswagen-we.com) and can use services free during this time.

3 The Plug-in Van Grant (PIVG) is a grant currently offered by the Office for Zero emission Vehicles (OZEV) to eligible manufacturers to promote the purchase of ultra low emission vehicles. The ID. Buzz Cargo is eligible for the PiVG, meaning customers purchasing an ID. Buzz Cargo will receive 35% off the purchase price, up to a maximum of £5,000 (subject to an overall limit of 1000 van or truck grants per business or organisation, across all manufacturers, each year being 1 April – 31 March). The £5,000 grant has already been deducted from the 'Total RRP inc. OTR inc. VAT inc. Plug-in Van Grant price shown (and therefore the recommended 'On the road' price will increase in the event that grant funding is ultimately not applicable, withdrawn, or eligibility for the grant or the grant amount changes, for any reason, or the annual limit is exceeded). Your authorised Volkswagen Van Centre will submit the details of your order online in order to claim the grant funding. The grant is subject to full T&Cs and eligibility requirements. For more information, please contact your authorised Volkswagen Van Centre or visit [www.gov.uk/plug-in-car-van-grants/overview](http://www.gov.uk/plug-in-car-van-grants/overview). The Government Plug-in Van Grant (PIVG) is applicable to UK sales only (excludes the Channel Islands or Isle of Man). Vehicle eligibility and grant figure correct as at 01.12.2022
